Customer ID: 25094

REMARKS

Claims 1-28 are pending in this application.

It is stated at page 2 of the Office Action dated June 29, 2004 that "[a]pplicant did not properly elect a species as required by the restriction requirement."

However, at page 6, line 6 of the reply entered April 8, 2004 it is explicitly stated that "Applicant elects Group I, claims 1-28...." Nevertheless, Applicants hereby reiterate for the record that **Applicants elect Group I, claims 1-28.**

Other than as explicitly set forth above, this reply does not include acquiescence to statements by the Examiner. In view of the above, all the claims are considered patentable and allowance of all the claims is respectfully requested. The Examiner is invited to telephone the undersigned (at direct line 512-394-0118) for prompt action in the event any issues remain.

Respectfully submitted,

John J. Bruckner
